[Ukrainian Canadian newspapers on microfilm]
Checklist

Each master negative produced during phase one of the CIUS Ukrainian Canadian microfilm project has been assigned a number from 1 to 163. The reels have been organized accordingly and described as to contents: title or titles included, place(s) of publication and dates covered. More detailed information on a specific publication can be found in the body of the guide. When purchasing microfilm positives, please use the order number in the left-hand column; partial reels will not be sold and all duplication is to be done on vessicular film. Price quotations will be provided on request. Please contact:
